FILM PLOT

Bridget Jones is now a widow, bereft after the death of her on-off partner turned husband Mark Darcy (Colin Firth). With two children to bring up, Bridget struggles to find her place in the world but realises it's time to get back out there.

Step forward two potential new suitors: the impetuous Roxster (The White Lotus' Leo Woodall) and straight-laced teacher Mr Wallaker (12 Years a Slave's Chiwetel Ejiofor). Can Bridget make it work with either of them?
