No matters arising.

#### **18/46 Audit 2017/18 & Annual Governance & Accountability Return**

A report on the 2017/18 Internal Audit had been submitted from John Bebbington which showed general compliance throughout and there were no *significant* issues to highlight.

The Clerk commented that the Council's Asset & Insurance Register was in the process of being updated and it was the intention to submit details to the July meeting. Similarly, an annual review/update will also be undertaken covering the Council's Financial Risk Assessments and this document will be presented to the next meeting for consideration.

Members were reminded that, wherever possible, they should try to ensure that invoices and/or receipts for work/services etc are made out to 'Westleton Parish Council' rather than to individuals so that the VAT element can be reclaimed – this being particularly important for more expensive items where significant sums are involved.

The meeting also noted the Auditors comments in relation to the RPA Grant for the Common and year on year spend. The Parish Council were satisfied in this respect that the built-in rolling maintenance programme allowed for sufficient flexibility.

On behalf of the Council, the Chair thanked John Bebbington very much for all his time and hard work in formulating the report and recommendations - which it is appreciated is carried out on a voluntary basis.

It was **agreed**:-

- (1) That the 2017/18 Audit should accordingly be received and noted and

Westleton Village Hall Trustees	DC/18/2232/FUL	Westleton Village Hall - construction of new entrance/foyer extension and new meeting room to rear + other internal alterations and associated external works.

**Agreed:** No objections (8 voting for : 2 abstentions)

With reference to this application submitted by the Westleton Village Hall Trustees - the Parish Council, as stated, has no objection in principle and would wish to confirm on record that it has supported the scheme/proposals since the outset when full consultation was carried out within the local community. However, it was noted that the owners of the adjoining property have submitted concerns in a letter of objection to SCDC and to Ian Johnson as Chair of the Parish Council, so, in view of this, we would anticipate that the application should be referred for determination to the full meeting of the Planning Committee. In turn, our understanding of the situation is that the Village Hall Architect, on behalf of the Village Hall Trustees, will be responding to the observations which have been made.
