18/30 Community Field

Noted that a meeting of the Community Field Working Group had been held on 25/4/18 and Cllr Swindell gave a report from this. Various works need to be carried out and a schedule has been produced with estimates for undertaking the work totalling in the region of £1000.00 (see attachment to these minutes).

It is proposed to replace the notice board and relocate from the present entry point off the main road to a new position within the car park in order to be more convenient.

The cost of laying the wood safety chippings for the play area was proving to be quite expensive year on year and the group were looking at alternative options in this regard.

It was **agreed** that Cllr Swindell should now proceed with the purchase of materials as outlined. However, further enquiries to be made to see if a slightly less expensive notice board can be sourced.

18/31 Common

Black Slough steps – as previously **agreed** Cllrs J. Alexander and C. Freeman to purchase materials to carry out the work up to a maximum spend £50. Cllr Jones additionally advised on quotes obtained for erecting a second hand rail [made of wood effect plastic] to go alongside the steps to provide additional support and also to look to replace the existing wooden hand rail/fence at a later stage. The total cost involved for materials including delivery amounted to approximately £590.00. The Common Working Group are due to next meet on 22/6/18 and further discussion will then be held on this item.

Cllr Jones also confirmed that GeoSuffolk, in cooperation with the Suffolk Coast & Heaths AONB, were going ahead with installing the geological information panel. This would be at no cost to the Parish Council and it was the intention to site it at a mid point on the Common to act as a focal point.

Reference was also made to the Reckford Road lay-by and the requirement for plant growth around hedge saplings to be cut back. A quote of £90 had been received from Jim's Mowing for undertaking this work. The Vice Chair observed that the Parish Council had previously agreed that this should be carried out on a regular maintenance basis.

18/32 Council Finances and Accounts

- (a) **Signatories to Bank Account** – it was agreed these should remain as Cllrs A. Paige, A. Smith and R. Swindell.
- (b) **Register of Members Interests** – There were no changes to be reported.
- (c) **Income 2017/18** - A report on year end income was noted

- (e) **Audit & Annual Governance Statement Year End 31st March** – the Clerk advised that John Bebbington was in the process of finalising his report/findings and the Statement/s could then be signed off.
For information a year end bank reconciliation statement was tabled which showed that the Parish Council had a closing balance of £14,064.94 in the Current Bank account and £14,070.05 in the Savings Bank account. Cllr Swindell gave a reminder that whilst it was recognised this represented a healthy financial position, specific money was set aside (ring fenced) for particular projects e.g. improvements to the Village Hall, regeneration of the Playing Field and ongoing works to the Common.
- (g) **Income** - Income to date was acknowledged and approved.
- (h) **Expenditure** - Expenditures to date were acknowledged and approved.
- (i) **Invoices and Payments** – The following invoices and donations were **agreed** for payment:-

From	Item	Amount

Came & Company	Annual Insurance Renewal	£838.28
Premier Toilet Hire	Easter holidays – Playing Field	£91.80
Roy Swindell	Additional keys for Community Field shed	£14.00

*The Clerk highlighted that since finalising the agenda, there had been an additional outlay for a second grass cut of the Community Field and so the sum to be paid out to Roy Swindell should read as £90.00 and not £45.00 as originally set out.

18/33 Planning Applications
